LINEAR DRAWER SYSTEMS

GO **LINEAR**. BE AHEAD OF THE CURVE.

PREFACE

Design trends evolve and so do the spaces we live in.

Today, the language of modern interiors speaks in precision, minimalism – and linearity.

Clean lines that elevate your interiors & smooth glides that match your rhythm; this isn't just storage, it's the next chapter in design. It's linear drawer systems.

It's time to go linear – and be ahead of the curve.

Welcome to the world of Hettich, your favourite lifestyle brand. Engineered for functionality, elevated by aesthetics & inspired by the future.

This curation showcases the multi-faceted nature of the linear drawer systems, along with the diverse ways in which it can be used around your home to infuse magic into your living spaces.

HETTICH LINEAR DRAWER SYSTEMS

GO LINEAR. BE AHEAD OF THE CURVE.

Crafted with the finest German engineering.

LINEAR

DRAWER SYSTEMS

Hettich's linear drawer systems – AvoriTech, AvanTech YOU, ArciTech, and InnoTech Atira-embodiment a unified vision of luxurious, modern living. Each range features pure architectural lines and minimalist design, offering seamless solutions for luxury kitchens, living rooms, bedrooms, vanities, and more. Every linear drawer system is a testament to Hettich's focus on precision German engineering, quality, and design integrity, making them the ideal choice for architects, interior designers, and discerning users.

MAGICAL INTERIOR SOLUTIONS WITH LINEAR DRAWER SYSTEMS

At the core of Hettich's magical interior solutions is the concept of linearity; transforming spaces through minimalist aesthetics, ergonomic comfort, and intuitive functionality. This approach empowers designers and homeowners to create interiors that are both visually impressive and effortlessly practical.

LARGEST PORTFOLIO OF LINEAR DRAWER SYSTEMS IN THE INDUSTRY

Hettich offers the industry's largest and most comprehensive portfolio of linear drawer systems, ensuring a perfect solution for every design need. All

Hettich Linear Drawer Systems are proudly made in Germany, reflecting best-in-class engineering and long-term durability.

SETTING NEW BENCHMARKS

With advanced concealed runners with integrated silent technology, **Actro** delivers high performance with smooth and silent operation, exceptional load-bearing capacity, refined motion, outstanding durability, and long-term reliability. **Quadro** is renowned for its versatility, smooth and silent movement, robust durability, and consistent reliability. With a linear aesthetic and renowned German engineering, Hettich's linear drawer systems set new standards in durability, refinement, and future-ready design—making them the preferred choice for magical interior transformations.
